CARRIER OBJECTIVE

A driven Computer Science and Engineering student specializing in Artificial Intelligence and Machine Learning, seeking to apply my technical expertise and problem-solving abilities to impactful projects. Eager to contribute to innovative solutions in a dynamic environment that fosters continuous growth and professional development.

TECHNICAL STRENGTHS

Programming & Skills	JavaScript, CSS , Data Structures , HTML , Python, Java
Software & Tools	Rstudio,Tailwind CSS, Canva, Figma, Git

WORK EXPERIENCE

Skillshoft Technology   April 2025 – Present
Web Development Intern

· Developed responsive web applications, translating academic knowledge into practical solutions through real-time projects.
· Collaborated with teams to address real-world challenges, enhancing problem-solving and technical skills.
· Strengthened expertise in modern web development practices, including coding, debugging, and optimization.
· Cultivated professional skills in teamwork, communication, and project execution in a dynamic environment.

PROJECTS

Portfolio Website   Live
A fully responsive portfolio website designed to showcase skills, projects, and experience. Built using HTML, CSS, and JavaScript with a focus on clean UI, smooth navigation, and cross-device compatibility.

Quiz Website   Live
An interactive quiz platform developed using HTML, CSS, and JavaScript. It allows users to answer multiple-choice questions, view scores, and get instant feedback, providing an engaging learning experience.

Stopwatch Application   Live
A functional stopwatch web application with start, stop, and reset features. Designed with an intuitive interface and accurate time tracking, built using HTML, CSS, and JavaScript.

To-Do List Website   Live
A dynamic to-do list application enabling users to add, edit, complete, and delete tasks. Developed using HTML, CSS, and JavaScript, with a clean and minimalistic design for an enhanced user experience.

EDUCATION

K.R. Mangalam University, Gurugram   *2023 - Present*
Bachelor in Technology
Computer Science and Engineering (AI and ML)
